

Dad

What would I give, to clasp his hand  
His happy face to see  
To hear his voice, and see his smile  
That meant so much to me.  
The rolling stream, of life rolls on  
But still the vacant chair  
Recalls the love, the voice, the smile  
of the one, who once sat there.  
Nothing can ever take away  
the love, a heart holds dear  
fond memories linger every day  
remembrance keeps him near.
