

My Last Party

When you come to My Last Party
Don't come with faces long
But come with memories that are pleasant
In your heart let there be a song
The place will be full of loved ones
And I will be dressed so grand
The only thing I shall be sorry for
Is that I won't be there to shake your hand
When you come to My Last Party
Remember the funny things I might say or do
I may not be there in the flesh
But surely there in spirit smiling and laughing with you
Remember how I may not pronounce your name right
But you all knew what I meant
Always ready for a good time or a song to play
Because everybody knew to the dance floor I went
When you come to My Last Party
My Lord will be the host
Because it is He amongst my family and friends
Who truly loved me most
Our God bore the cross at Calvary
And he bears my cross today
And when you leave he will still be with me
To comfort me along the way
As you gather at My Last Party today
Remember how I loved you all
In my own special way
I did the best that I know how
It's up to God to take care of me now.

The Obituary

Alexander (Roy) McLellan entered his eternal rest on Friday, July 15, 2022. He was born in Dillon, SC on November 8, 1952, to the late Edward Samuel and late Flora Taylor (survived by Fred Taylor). He attended Dillon County Public Schools and recently retired from Lakeview School District 4.

He was the beloved husband of Carrie Lee McLellan with whom he shared 44 years of marriage.

Roy was a pillar to the Oakland/Hamer Community. He was a father, brother, and dear friend to everyone in Dillon. When you met him, his jokes and laughter would always leave you with a smile on your face. He really cherished his family and friends and was extremely close to his brothers and sisters.

He is survived by his wife, Carrie McLellan of Dillon, SC; children, Tyrone (Lofta) Wright of Greer, SC, Latreva Padilla of Raleigh, NC, Derrick (Yolanda) McLellan of Blythewood, SC, Shawna McLellan of Florence, SC, and Caryn McLellan of Newark, NJ; 10 grandchildren, and 1 great-grandchild.
