“A Mother’s Heart”

This is the time, you want to ask why?
But Lord, I know you’ve heard our
hearts cry.
As much as I wanted you to stay!
Jesus took you by the hand and carried
you away.
No more pain, No more suffering, No
more sleepless nights.
Because now, you’re in his sight.
I cared for you, each and every day.
I hate that things turned out this way.
I know you my tears are going to flow
but I know you had to go!!

“Gone But Not Forgotten”

We never thought we would see this day
It’s sad that you were taken away
All of the good times that we had
Laughing, joking, seems as if you could
never get mad
No matter what you were the same
cool and laid back, always talking smack
A young man God blessed
with many talents
singing, playing the keyboard,
just to name a few
Montre we are going to truly miss you!
A peaceful smile you wore on your face
no more worries now you’re
in a better place
No more pain it’s time for you to rest
God needed you he knew what was best
Sleep in peace cousin this
our final goodbye
Gone but not forgotten in our hearts
you will always lay.

From the cousins
