CELEBRATING THE LIFE OF Miss Taylor Danielle Price 2005–2021

Miss Taylor Price was born on Tuesday August 30, 2005 to Demetrice Utley, Emerson Hunt, and Darric Price (Biological).

Taylor was a Junior at Mullins High School. She was Captain of the Varsity Cheer Squad, a Cadet Second Lieutenant in ROTC (Marines), and serving on Jostens ring committee. Taylor loved cheering, it was her passion and anyone who saw her knew it. She was loved by many and hated by few, but her beautiful soul allowed her to show kindness to all including those who did her wrong. Her smile was warm and her laughter contagious to all who crossed her path. Her family was important and they supported her in all her activities. Taylor had many mentors, you know who you are and the important part that you played in Taylor's life. Your love and support will never be forgotten.

She leaves to cherish fond memories and much love, her parents: Demetrice Utley of Marion, SC, Emerson Hunt of Marion, SC, and Darric Price of Florence, SC; her auntie mommy: Valencia Utley of Woodbridge, VA; her siblings: Serenity D. My Beautiful Tay

You have left me so heartbroken but yet so happy. Our story goes way back to McCormick days chasing each other around at recess. Sometimes I would say, "this girl plays too much knowing I couldn't wait to be chased." Even our Junior High moments still chasing and thinking we were ready for love, knowing we were not. We have so many memories.

Our Junior Year 2021, we both realized what we always knew, that we were supposed to be together. Tay we finally got it right. We both were so happy and in love – love that took so many different directions but lead us back to each other. I will love you forever and our memories will forever remain with me!! I promise to make you proud!! Watch over me, my forever Queen...I Love You.

—Your LJ

*Yes our journey was rocky and many obstacles clouded our view.
Finding my way back was NEVER hard to do. A love this genuine
could only come from YOU!!*

You Never Said Goodbye”

You never said “I’m Leaving”

You never said Goodbye

You were gone before I knew it,

And only God knew why

A million times I needed you

A million times I cried

If love alone could have saved you

You never would have died

In life I loved you dearly

In death I love you still

In my heart you hold a place

That no one could ever fill

It broke my heart to lose you

But you didn’t go alone

For part of me went with you

The day God took you home.

Love your best friend, Mom

Perhaps you sent a lovely card or sat quietly in a chair; Perhaps you sent a flower piece, if so, we saw it there. Perhaps you said the kindest words, that any friend could say; Perhaps you were not there at all, just thought of us that day. Whatever you did to console our hearts, we thank you so much.
